Spring is Coming! Right?

I hope all my dance families are staying warm! More importantly, I hope everyone is healthy! So much sickness at the studio this winter-- so I thank all of my parents for keeping those kiddos home when they're not feeling well! I certainly miss them when they're gone, but them being healthy is so much more important.

Costumes will be on their way home this week! Students will try costumes on in class, and as long as they fit and are paid for, they will be sent home. Please remember-- costumes should NOT be worn to class or for play time prior to our Spring Show...we need to keep them nice for the stage!

For Valentine's Day, the preschool and kindergarten classes got to have a Daddy Daughter Dance Class at the studio. I look forward to making this a tradition every year! The dads (and grandpas) were such great sports, and the girls were so excited to share the night with you! Moms, don't worry...we'll have a special class for YOU to come dance with us right around Mothers Day!

Thank you for reading!

--Miranda
