

DREAM BIG

WORK HARD

Offering dance classes for Edgewood and surrounding areas since 2007

Greetings Dance Families!

I hope this edition of the newsletter finds you warm and cozy in this very snowy February. There's not much to this Newsletter, but please read on for some important information.

New Space

I hope you're all enjoying our new space at the Edgewood Event Center! It's been a great point of growth for the studio, and the kids really seem to be enjoying it! A reminder that dancers either need to be in dance shoes or barefoot, no socks. The floor is just a bit too slippery for socks and tights.

Grab your gear from Rivals!

This is a great time to check out our store at Rivals and pick up any gear you may need. For our spring performances, we won't be submitting an additional costume order. Instead, we'll use our studio gear for all of our dances! The Rivals website has marked all of the items that dancers 1st-12th grade will need. Dancers in the preschool/kindergarten classes will only be required to have a Green Studio t-shirt. Check out our store [here!](#)

Studio Pictures

Have you checked out all of our studio pictures taken by Jeff Barker? Remember, these photos are yours to download, print, and share. You can find the link to the pictures on our website!

What We're Learning

Dancers of all ages are wrapping up storytelling units. We've done lots of work at the ballet barre, and so many of the dancers have really enjoyed that experience. This month, we'll continue with our technique work and also move into a bit of choreography for our Spring Show (mark your calendars for May 3-8 as we continue to work out details for that performance). The theme for our Spring Show is "Keep Calm and Carry On"...a good lesson for us all as we move forward.

Snow Days

Just as a quick reminder - I have extra days built into our dance calendar. We won't have any make-up days until we've had two canceled classes due to weather. As we've had some inclement weather the past couple of weeks, it's been great to have Zoom as an option for a few of those classes so the kiddos could keep dancing. We will always communicate snow day plans with our families via email and Fusion News & Notes on Facebook. Thanks for being awesome!

Thanks for reading! I appreciate you!
Miranda
