DREAM BIG

WORK HARD

Offering dance classes for Edgewood and surrounding areas since 2007

Happy New Year!

I am so excited to welcome the new year with all of you! Things never really slow down at the studio...we just move in and out of different busy seasons. And we can't wait to share everything that 2023 has in store for our dancers!

Christmas Cabaret and the December Give Back

First of all, a wrap up on the AMAZING work our kiddos did in December. Their show was absolutely fantastic and so enjoyed by all our audience members. But more important than the work the kids did on stage is what they did in the studio all month. Those kiddos practiced wonderful things, and not just their dancing: They gave their best effort, they kept positive attitudes, and they were kind and respectful. I was so impressed with them! Between their efforts and our dance families' generosity, Fusion raised \$600 for Aidan Bailey, a young local man who's faced great health struggles. AND, you made me dye my hair green! Great job for raising great kids, grown ups!

Costumes and Recital

Over the next month or so costumes for our Spring Show will start to come home with the dancers, and more specific details regarding the show at the Elkader Opera House in May will be made available to you. When costumes make their way home, please be sure to put them in a safe place where they won't be played with or ruined prior to Spring pictures and our performance!

This year, we will have a complete Recital Handbook for all ages and classes - that will be ready for you by the end of February, and it will (hopefully) answer every possible question you could have for the busy recital season. We want you to have all the information you need for a successful (and not-stressful) performance!

As a note, tickets will go on sale for recital on APRIL 1st!

THANK YOU

A HUGE thank you to all those who shared sweet cards and gifts with Miranda and the staff during the holiday season! They were so thoughtful and so appreciated. We really do have the best dance families!

Open Studio, No School Camps, and Pop Ups

Be sure to follow the Fusion News & Notes Page on Facebook for some fun, upcoming pop up classes! There will be Open Studios for ages 8+ on select Ed-Co Early Out days, a camp on a no-school day, and some exciting new one-time clinics for dancers of all ages and levels to work on new styles and skills! These will be announced on Facebook and emailed out, and you'll be able to register in your Parent Portal.

Let's get ready to Dream Big and Work Hard in 2023!
