

January 2021

DREAM BIG

WORK HARD

Offering dance classes for Edgewood and surrounding areas since 2007

Welcome to the New Year, dance families!

Winter Show Wrap Up

It was so great to finally get to share our Fusion Mixtape performance with you all. Thanks so much for coming to the show. The performance has now been posted for you to enjoy and share with your friends and family. It's so great to know that we can still enjoy performances, even though it may look different. You still have an opportunity to order a recital t-shirt from Rivals. Rivals has a limited overstock printed, so contact them soon to place your order!

New Space

Our new space is ready to go at the Edgewood Event Center! It was a great space for our winter show, and now I'm so excited to share it with you all on a weekly basis. All of our social distancing and masking policies will remain in place for the time-being at the new studio. Zoom options will still be available each week if that's necessary for your family.

What's Next?

I am so excited to share some fresh material with the dancers as we kick off classes once again! Some of our classes are going to begin a story-telling unit, learning how we can use dance to communicate stories with our audience; others will begin digging into some new ballet and jazz technique that will help them grow as dancers. I'm also excited to share some new hip-hop choreography with the dancers!

Tuition

Installment payments are due as usual; if your family paid half tuition in September, the remaining half is due now as we return to the studio in January. If you have any questions, please let me know. I so appreciate your continued support of the studio!

Thanks so much for being a part of the Fusion Family. I appreciate all of you so much, and am ready for all of the great things to come in this new year!

Keep dancing, Miranda
