

# March Newsletter

2019

Welcome to March! I know it's still cold out, but in the dance world, Spring time means performance time! We've got a lot to talk about!

First of all, this is your 100th reminder that recital is set for Friday, May 3 at 7pm, and Saturday, May 4 at 2:30pm. This year, recital will be held at Ed-Co High School, which is a change from the past several years. Our theme is "A Little Help from my Friends", featuring music from the Beatles.

Now, to the issue of all the snow. It has certainly been an exceptional year in the way of weather...and that is just me trying to put my usual positive spin on things :) Tuesdays were definitely impacted the most. We got creative with some Facebook Livestreams, we've combined some different classes, and there will be a couple of additional extra rehearsals thrown in before the end of the season. I will send those extra class schedules out to impacted classes as needed. It's certainly not a perfect situation, but know that I'm doing my best to continue to provide you an excellent service and value for your dancers — keeping other activities and commitments in mind, too!

How many of the kiddos have LOVED their costumes? That's always such a fun time for them. For dancers who have brought costumes home - please make sure they are HANGING up in a closet (and out of reach of little hands). They will need some time to get the wrinkles out. And they shouldn't be worn until it is dress rehearsal time! Dancers who've not received costumes will be receiving them in the next month.

In addition to the costuming they've brought home, all dancers will need the following Fusion apparel: Green shirt, black sweatpants, black tank (ladies only), black spandex shorts (ladies only). Rivals will be opening up that order March 15-31. Also on that order we will be launching our RECITAL SHIRTS and Parent Apparel!! The recital shirts are a fun keepsake for the dancers, and the Parent apparel is a fun way to support your dancer — it makes me smile when I see the dancers and families wearing the swag throughout the year!

Please take a moment to review all of the rehearsal, picture, and performance dates in the box on this newsletter! There is lots to keep track of, and I am so appreciative of those who take note of all the details. For those of you who took the time to read all the way through this newsletter — SHARE the recital poster on Facebook from the Fusion page, inviting your friends and family to come see it, and then send a message to the Fusion page to let me know you've done it! You'll be entered in a drawing to win a FREE recital shirt or a 4-pack of tickets to the recital! (It pays to read the newsletter!!)

--Miranda
