Happy October!

October is one of my favorite months at the studio. Kiddos are starting to settle into our class routine, and they are already building on their skills. Little ones in the preschool and kindergarten classes will be learning to dance like monsters, ghosts, bugs, and skeletons this month! So much learning happening at all levels at the studio! Please keep reading for some important announcements and reminders!

Preschool/Kindergarten Classes

Please remember to help your little ones go to the bathroom before class starts. It happens often during class, and once one has to go, it's usually pretty contagious. So if you're able to make sure they go before they get here, or right away when they arrive, that will help tremendously with the flow of our class. Thanks so much for your help with this!

Thank You!

Thanks so much for respecting our class observation policy this season! It is so appreciated!

Dance Shoes

All shoes that I ordered have been distributed! Now, PLEASE remember to send dance shoes to class! Particularly for dancers who come to the studio right after school - please be sure dance shoes and appropriate dance clothes are packed in their bags so they can be dressed and ready to go once they get to the studio.

Costume/Picture Fee Coming Up

Just a reminder - the Costume/Picture fee for this year is \$50, and is due by December 1st. Thanks to those who've already taken care of it this year! And don't worry - I'll be sure to send out a reminder!

Halloween Week!

Dancers are welcome to wear their Halloween costumes the week of October 28th! There is, however, no class on Halloween (Thursday, Oct. 31st). For dancers in the Thursday Boys Class, I will send you your make-up class via email the week prior. All other classes will be held as scheduled that week.

I think that wraps it up! THANK YOU for reading all the way through the newsletter! I appreciate you!

Have a great October!
