

October 2020

DREAM BIG

WORK HARD

Offering dance classes for Edgewood and surrounding areas since 2007

Happy October!

What a fantastic start we've had to the dance year! Kiddos have been adjusting to life in the studio, and so far, things haven't been too different from a typical year (so thankful for that!). Parents, thank you SO MUCH for keeping your kiddos home when they've been quarantined or feeling ill - I can already tell it's made a huge impact in keeping the studio healthy. Let's keep it up!

Costumes!

New costume orders will be sent in by the end of October. If your dancer does NOT have a costume that fits from last season, I will be sure to get them correctly sized. Their dance homework has been to try those costumes on to be sure they fit...please see that gets accomplished! For new families, and dancers who need new costumes, once those costumes are ordered, they should arrive quickly.

Shoes

Shoes have arrived and are being sent home with dancers! If your dancer (first grade and up) does not have shoes that fit properly, please let me know so we can get those in!

Mask Policy

Since the weather has been nice enough to keep the windows open, we've had lots of fresh air in the studio. As Iowa continues to get colder into the fall, please continue to send dancers to the studio in layers as it may be a little chilly inside. When we're no longer able to keep windows open, it's likely we'll need to revise the studio mask policy. Please be aware of that - that will be announced in the Parent Portal and in our Facebook group when and if that changes. Also, please remind dancers that the better they can move in their OWN dance space, that helps so much, too! As cold and flu season will be upon us soon as well, please be diligent in knowing when your dancer is sick and keeping them home. Several families have accessed class via Zoom for that reason already this season, and it worked out so well!

Water Bottles

Please remember to send a water bottle with your dancer!

HALLOWEEN!

So, Halloween is one of my FAVORITE days, and I always love celebrating it with my dancers! During the week of October 26-30, dancers are welcome to wear their Halloween costumes to class! We'll have a mini-party along with our dancing that day. A treat will be provided; dance families don't need to provide any treats. I'm so excited to see the dancers in their Halloween costumes!

Parent Portal

Parents, thanks so much for accessing the Parent Portal! I hope it's proving to be a great resource for you. Please let me know if you have any questions or need any help with it.

I am so excited to continue to watch my dancers learn and grow this season. Parents, be SO PROUD of your kiddos. They are doing a great job. And I appreciate all of you parents as well... your support of the studio means so much. Thanks for getting our season off to such a successful start!

Keep dancing,
Miss Miranda
