Hello dance families!

The dance year is off to an amazing start! The dancers have begun working on technique review, and are beginning to add some new elements. Fun! From chaine turns and pirouettes, to battements and jetes, they are already working really hard. No combination work yet, but we have plenty of time to get to that.

As we start the year, I wanted to go over a few important policies to make our year run smoothly.

-To those who are paying in installments, payments are due by the first class that month.

-We DO hold classes on Ed-Co no school and early out inservice days; the only days we cancel are when classes are cancelled or dismissed due to inclement weather.

-Dance classes are a closed practice. If you need a place to hang out until your dancer has finished class, we recommend the Edgewood library or the park. The library closes at the following times– Monday at 7:00 p.m.; Tuesday at 5:00 p.m.; Wednesday at 8:00 p.m.; and Thursday at 6:00 p.m.

-Dancers should always come to class with their dance shoes and their hair pulled back out of their face.

-This is for the Create & Move classes particularly- PLEASE remind your dancers to wait INSIDE the building for you to pick them up at the end of class. There is too much traffic outside the studio for them to go out on their own safely.

These newsletters will come out monthly with progress updates, reminders, and important dates to remember. Please be sure to check for them!
