## Welcome to the 2016-2017 Dance Year!

I am so excited to be entering the 10th season at Fusion DanceWorks. This year brings so many new adventures, and I'm thrilled you're here to dance through them with me!

First of all, we are obviously in a new space! It has been a wonderful five years dancing in the studio space at Cafe Rose, but I knew it was time to move forward and into a bigger facility! So thankful to have the resource of Woods Edge Golf Course right here in town to accommodate us! The students will definitely benefit from the larger space and being able to spread out a bit more as they're learning!

It's also exciting to have Denise Jones in

classes on Monday nights! Denise is in her 25th year teaching dance in Northeast Iowa. It is a privilege to have her expertise at the studio, sharing her knowledge with the students. Don't forget, Denise also offers fitness classes at the studio Tuesday and Thursday mornings, and will also be offering classes on Thursday nights beginning mid-October! Check out "Shape Up with Denise" on Facebook for a schedule!

This year, all information is going to be streamlined on the website, thanks to Fusion's fabulous new Info and Web Assistant, Heather Thomas. The website can be found at [fusiondanceworks.weebly.com](http://fusiondanceworks.weebly.com), and there you can find the

Fall Session Calendar, the Studio Handbook and Guidelines, as well as how to sign up to receive text alerts from Fusion. It will also be home base for the monthly newsletter (just like this one), so be sure to check every month for the News & Notes!

This is going to be an amazing year at the studio; I can feel it. The enthusiasm from the kiddos at Open House was overwhelming. I've said it before, and I will say it much more: I am so blessed to be able to do what I love in a community that I love. Let's make Year Ten AMAZE-BALLS!
