Offering dance classes for Edgewood and surrounding areas since 2007

## Happy Summer!

I hope every one of your summers is off to a great start. Now that we're past Rodeo Days and the Fourth of July, I'm afraid the rest of summer is going to fly by too quickly. The great thing about that is I get to be back in the studio with my dancers full time...I can't wait!

## Recital Recordings

We decided to leave the recordings of our Spring Show accessible through the summer! So if you'd still like a chance to view or download your dancer's show, there's still time! Access to the recordings will end on August 31st.

## Open House

We're planning an Open House at the Studio on Thursday, August 12th! We'll be open that day from 3:00-7:30pm. New students can come check out the space and meet the staff and returning students are welcome to come and say hello! Staff will be able to go over any questions you may have about the studio, classes, or policies. This will also be an opportunity to order dance shoes for 1st-12th grade dancers, pick up any Dancewear you may need, and take care of tuition and fees for the season. You'll also have the chance to sign up for a drawing for some FREE Fusion gear! Mark your calendars!

## First Day of Dance and our Anniversary Year!

Our 2021-2022 Dance Season will begin Monday, September 13th for the 15th Season of Fusion! Our theme for the year will be Small Town Celebration! While Edgewood is our Studio Home, we are so thankful to have students from so many of our surrounding communities dancing with us! With all of you, year 15 is sure to be our best year yet!

## Gear from Rivals and Revolution

Did you know our shop with Rivals in Strawberry Point is open online anytime? For performances, all dancers need a Green Studio T-shirt, and 1st-12th grade dancers have a few other additional required items that are denoted on the website. You can order these any time and pick them up at the studio! We also partnered with Revolution Dancewear this year for some fun dance outfits for your dancers. None of the items from Revolution are required, but may be a fun surprise for your dancer.

Links to both of these sites are on our website - <http://www.fusiondanceworks.studio/shop.html>

## Facebook Group

I'd like to invite all of our new families to add themselves to our Fusion News and Notes Group on Facebook. We also send updates out in our newsletters and via email, but Facebook is often a convenient way for families to get info quickly. Copy and paste this link into your web browser to check out the group: <https://www.facebook.com/groups/272747179730856>

We are SO excited for a fantastic dance year! Please be sure to reach out if you have any questions before we get started!
